quotes they like??

Examples from superheroes, video games, Steve jobs, Apple? Give them quotes?

- Dear Math, grow up and solve your own problems
- There's no place like home
- A tiny step of courage is always a good place to start
- No one is perfect; that is why pencils have erasers
- To infinity and beyond!
- Good is not a thing you are; it's a thing you do
- It's not who I am underneath, but what I do that defines me.

**Practice Public Speaking:**

Stand up and take 1 minute to share your reasons for joining TED-Ed Club, and something interesting you learned about a Club member.

**Final Video**
